

VALUE OF THE PRO-SOBER PROGRAM:

Below is a brief summary of the types of enormous benefits you will receive using the entire program available at The Realm.

- End your internal conflicts concerning addiction.
- Resolve your willpower issues.
- Improve your willpower and become a very decisive person.
- Become one of the strongest people you know in recovery.
- Build a pro-sober belief system.
- Become immune to triggers.
- Leverage the power of your subconscious mind for your goal of quitting.
- Never use ever again - be sober forever.
- Build a solid foundation of recovery that is simple yet highly effective and negates the need to know all the complicated stuff other methods teach.
- Cause the evolution of your brain and evolve into a master of addiction.
- Crack your ingrained limiting beliefs and replace them with empowering beliefs.
- Learn the secrets most addicts will never understand.
- Develop a better ability to gain restful sleep.
- Develop a greater awareness and understanding of your subconscious mind.
- Become much better at dealing with people that fast talk.
- Increase both creativity and logic simultaneously effectively maximizing your ability to learn and perform in schooling at work or otherwise.
- Tap into your own hidden genius and have extraordinary insights.
- Gain the power to overcome any addiction - if you don't need it for a medical condition YOU can quit.
- Learn to understand yourself much better - why you have been an addict.
- Master your addiction in under one year - drastically faster than other methods.
- Get free email support for virtually any issue including loss etc.
- Save money - one of the most affordable programs of this caliber available online anywhere.
- Learn how to tap your subconscious mind for virtually any self development issue you may have.
- Program/condition your mind to get the "breath of life" while you sleep for much better mental acuity.
- Increase your ability to handle stress without becoming overwhelmed, opening many new doors for you.
- Increase your positive attitude and your emotional and psychological health.
- Develop an ability to call forth emotional energy in a manner that can be physically felt (and does not require any magical knowledge or abilities that can't be explained by science).
- Learn how to expand your awareness to a higher dimension giving you the opportunity to bypass your current limits.
- Gain profound relaxation and therapy each and every day.
- Have a much easier time quitting.
- Learn to enjoy sobriety.
- Become immune to other peoples addict mentality.
- Gain a degree of mastery over your addictions that not even the "gurus" have.
- One of the safer audio programs available online.

You (if you're an addict) would have to be crazy to pass this up - give your self the break you deserve. Legal note: "This document is free to distribute (email) do not alter in any way."
